*Notice to all operators operating at –
Kuwait International Airport*

**REGULATORY REQUIREMENTS REGARDING
CHANGE LOCATION INDICATOR FROM OKBK TO OKKK**

WEF 23 FEB 2023

*Four letters location indicator of Kuwait International Airport will be change from OKBK
TO OKKK.*

These changes will be published via an AIRAC AIP AMDT, expected publication date 12 JAN 2023, with effective date 23 FEB 2023, and when required, NOTAMs will provide details of other changes or delays. The timing of these changes can change due to unforeseen circumstances, and maybe delayed. The intent of this AIC is to alert all users of Kuwait International Airport to the coming changes, in time for operators to do the necessary changes to their documentation and procedures.
